WE ARE LOOKING FOR ADVICE!

Join the Phorge Makerspace Advisory Board!

Do you believe in the power of creativity, innovation, and hands-on learning? We're looking for passionate community members to help shape the future of Phorge Makerspace!

Phorge Makerspace is seeking volunteers to serve on our newly formed Advisory Board. This is a unique opportunity to share your expertise, build meaningful community connections, and help expand access to STEAM education, entrepreneurship, and maker opportunities throughout Sheridan County. We're looking for individuals with experience or interest in areas such as:

- Business and entrepreneurship
- Education and workforce development
- Manufacturing and skilled trades
- Technology and engineering
- Marketing and communication
- Fundraising and community engagement
- Nonprofit leadership and strategic planning

As an Advisory Board member, you'll provide valuable insight and guidance while serving as an ambassador for Phorge Makerspace. You'll help identify new opportunities, strengthen partnerships, and ensure we're meeting the needs of the communities we serve. No governance or fiduciary responsibilities are required—just a passion for helping others create, learn, and collaborate.

What You'll Do:

- Share your knowledge and expertise.
- Offer feedback on programs and future initiatives.
- Connect us with community resources and partnerships.
- Participate in periodic meetings and special projects.

Whether you're a maker, educator, business leader, skilled trades professional, or simply someone who believes in building a stronger, more innovative community, we'd love to hear from you! Help us forge the future of creativity and innovation in Sheridan County.

MEN'S SHEDS

CONNECT-CONTRIBUTE-BELONG

What is a Men's Shed?
A PLACE AS UNIQUE AS YOU.
Men's Shed is an international phenomenon with thousands of clubs worldwide. We answer men's innate need for activity. Men's Shed is a club, mainly for older guys. We have tools, and materials for pursuing our interests and passions, for learning something new and sharing skills. We join to make stuff and tinker. We share a pot of coffee in a friendly atmosphere. In the end, we make friends and enjoy life.

Who Can Join? EVERYONE
No special skills are required.
You simply show up and participate at your own comfort level.

Reduce Isolation

Build Connection

Improve Well-being

Why Men's Sheds Matter
Men's Sheds provide a supportive environment where men connect "shoulder to shoulder" through shared activities, conversation, and community involvement. - See back of flyer for more information
